Mr. Dave Collier,
Plain View, Texas.

Dear Mr. Collier:

I am tracing all the Colliers possible in America in order to connect up the families that you belong to.

I have been working on this several years and would appreciate your filling out the enclosed blank and return to me at an early date.

We have a great many relatives in Texas of the Collier name, and I visited quite a few of them a few years ago when I was in your state.

Very respectfully,

JCC:S

J. C. COLLIER.
